

About Joëlle.

Joëlle Jelisa is a singer-songwriter, psychic, and founder of ĀNANDA the Label which held 7 retreats for the past 3 years on the island of Ibiza, Spain.

In 2020 she created the online program ĀNANDA for women who wanted to find their inner balance and power. With energy sessions, different exercises, meditations, and more she helped and guided more than 100 women in that year. Automatically the physical form of the program was created too: the ĀNANDA retreat.

In 2022 she launched together with her partner in crime Sascha, their own oracle deck, the ĀNANDA Oracle deck. An amazing tool to work on your intuition and get down-to-earth guidance.
